

Your Home Maintenance Schedule

SPRING

- Waterblast and get your outdoor space ready
- Check if any outdoor furniture needs maintenance
- Deep clean upholstery
- Deep clean carpets

- Clean and store winter bedding
- Go through your wardrobe & move winter clothes to the back.

- Check fire extinguishers and smoke alarms – change batteries
- Clean heat pump filters
- Plant tomatoes and summer veggies

DON'T FORGET TO TICK WHEN DONE!

SUMMER

- Clean windows inside and out
- Clean out the garage or garden shed
- Oil and inspect garage door tracks
- Do any exterior paint touch ups

- Check for signs of ants and arrange pest control
- Clean oven
- Waterblast driveway

- Work on your curb appeal, spruce up your entrance way
